JK column

Good afternoon to you all, and a special welcome to our visitors, Bolton Wanderers, this afternoon to Boothferry Park. At present, Ian Greaves' team are riding high at the top of the League with a 100% record, after so narrowly dipping out of promotion last season. I would also like to welcome the many 'Trotter' Supporters who I know will be making the short journey across the Pennines and along the motorway from Bolton.

On behalf of all at Hull City we also greet our friends from Yorkshire Television, especially commentator Martin Tyler, other officials and technicians, and we only hope that we shall see more of them this season, for they can be assured of a warm reception.

We started off last Saturday week with a cracking game against Sunderland, and I felt we fully justified our 3-0 victory. It was a great performance and all three goals were what can only be described as good goals. At Bramhall Lane on the Tuesday evening we experienced a disappointing result. I felt that we did the hard work in so much that we contained the Sheffield attack for nearly all of the first half, as it was only 5 minutes before half-time that they broke our defence and scored. We never did well when we had possession of the ball, and we did not get enough players going forward and making runs

into United's territory. We tended to sit back and not make ourselves available. As I said before, it was most disappointing.

In London against Crystal Palace last Saturday, we again did exceptionally well, and it was almost a complete reversal of the form shown at Sheffield the previous Tuesday. We made the forward runs which were lacking and frequently put the Palace defence under pressure. Our defence was very sound, but more important, it was a great all-round team performance. This was, in fact, our first success in the capital for many matches, and it was very gratifying to succeed on our first London away match of the season, especially following the recent criticism of the team's London performances, at this year's Annual General Meeting. The weather down there was atrocious, with thunder echoing around the ground and lightning illuminating the playing area with frightening flashes. Unfortunately the weather kept away perhaps as many as 6,000 spectators, and they missed what was a good game to watch, and a great Hull City show.

You will by now know the result of our League Cup match at Southport, but this column has to be written before then. Naturally I want the team to do well in the League Cup, but the League must be our prime objective.

I trust you all will enjoy this afternoon's match, so much that you will all watch it again tomorrow afternoon on television, for your own 'Action Re-play'!

Concern for the Sunderland defence in front of their own goal

When they were here in February, Bolton Wanderers were very much in the running for promotion, but for the second season in succession they slipped up in the last few games with home defeats by Carlisle (who ultimately went down) and Sheffield United and an away defeat at Nottingham Forest in a game that was of paramount importance in the ultimate destination of the promotion prizes.

Ultimately, Wanderers were just one point behind third place Forest, just as a year earlier they had been one point behind third place West Bromwich Albion and they could only reflect ruefully on the fact that after winning at Sheffield United and Fulham in the space of a week at the turn of the year they did not win again away from home.

They have, however, already broken that sequence with a 1-0 success at Burnley on the opening day of the season and by following this up by beating Millwall and Sheffield United at Burnden Park, Bolton have achieved the distinction of maximum points from their first three games, all of which points to another sturdy promotion challenge.

Despite the disappointment of the last two seasons there has been a steady improvement in Wanderers' fortunes since they slipped into Division III in 1971 for the first time in their history. It took them just two seasons to climb back and since then they have underlined the fact that they are one of the top Division II clubs by taking Newcastle to two replays in the fifth round of the F.A. Cup in 1975/76 and knocking out Derby County in the Quarter Final of last season's League Cup before going out 2-1 on aggregate to Everton in the Semi-Final.

Manager Ian Greaves, the former Manchester United full back who in 1970/71 led Huddersfield back for a brief spell in Division I, has, therefore, achieved a considerable amount since taking over from Jimmy Armfield when the latter moved to Leeds and one of the men he is looking to for further success is striker Neil Whatmore, who netted 31 goals last season and has already scored twice in the present campaign. Others to look out for include goalkeeper Jim McDonagh, who moved from Rotherham when Barry Siddall was transferred to Sunderland, and Ray Train the busy little midfielder who moved from Sunderland soon after the Siddall transfer.

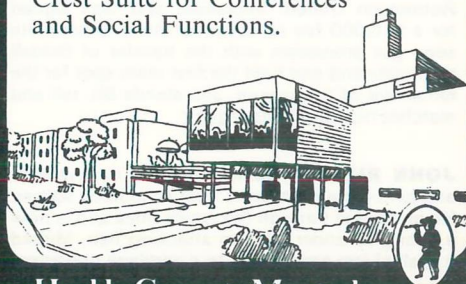

Bolton, therefore, look forward to a few more honours to add to their three Division I Championships (the most recent being in 1924/25) and four F.A. Cup wins (the last in 1958).

Pen Pictures of the Trotters

JIM McDONAGH. Jim joined the Wanderers at the start of last season on a month's loan from Rotherham United. Impressed and was signed for a £10,000 fee as cover for Barry Siddall. He soon got promotion with the transfer of Siddall to Sunderland and held the first team spot for the remainder of the season. Jim stands 6ft. tall and matches his height with agility.

JOHN RITSON. John was born in Liverpool and joined the Wanderers from schoolboy soccer. He graduated through the junior sides and is now a strong defender with an attacking flair. Missed a spell of last season due to a cartilage operation.

TONY DUNNE. Eire international who played for most of his career with Manchester United. Was a member of the United European Cup winning side and since coming to Bolton has proved to be a favourite with the fans.

PETER NICHOLSON. Signed for the Wanderers from Blackpool for a small fee prior to the 1971/72 season and has proved to be a fantastic bargain. He can play anywhere in defence and had a long spell at full back last season. Is also accomplished in midfield.

ROY GREAVES. Long serving player who had a recent testimonial. Born in Farnworth, near Bolton, he is a non-stop worker whose workrate has to be seen to be believed.

PAUL JONES. Paul is a central defender who has been a member of the Under-23 and full England squads. He is a commanding player in the air as well as on the ground and seems destined for further honours.

SAM ALLARDYCE. A young central defender born in the Midlands, Sam joined the Wanderers from school and since coming into the side in 1975 has held down a regular place.

WILLIE MORGAN. Started his career with Burnley then moved to Manchester United for a big fee. Returned to Burnley and was signed by the Wanderers two seasons ago. A Scottish international and member of the last World Cup squad, Willie spent last summer playing in American football.

NEIL WHATMORE. Strong attacker with a flair for scoring goals. He scored 31 times last season to top the Division II scoring chart for League and League Cup goals.

STEVE TAYLOR. Born near Oldham, Steve got his first team chance last season mainly due to injuries. But he seized the chance well, scoring 20 goals in spite of a couple of months out of action because of a cartilage operation. Joined the Wanderers from school.

PETER REID. Another youngster who joined Bolton from school on Merseyside. Peter played for England's Under-21 side last season and went on the close-season tour of Scandinavia with the national side. Is a constructive player who reads the game well and is a fine passer of the ball.

PETER THOMPSON. Peter is the former Liverpool and England player who has won most of the honours in the game. A very tricky player, his class has made him a firm favourite with the supporters.

RESERVES ROUND-UP

In their first North Midlands League encounter, the Reserves met Rotherham in the League Cup, and gained a first leg lead by winning 2-1.

For the first 15 minutes Rotherham attacked strongly but the Tigers absorbed the pressure, well aided by sound goalkeeping from Eddie Blackburn.

From this point the Reserves began to take control with Dave Sunley and Robert McDonald causing countless problems for the Rotherham defence and it came as no surprise when in the 20th minute we took the lead from a neat build-up on the left. Colin Moody floated over a perfect centre and Dave Hawker climbed high to head a splendid goal.

The Tigers continued to pressurise the Rotherham defence and following good work by Dave Sunley, Dave Hawker put them further ahead when he pivoted and crashed home a left foot volley that gave keeper Middlebrooke no chance.

After the interval the Tigers continued to dominate play and they should have sewn the game up but they missed several chances. Then, against the run of play, slack marking allowed Womble to run half the length of the field and provide Habbin with a simple goal from close range. This gave Rotherham a new lease of life and although they strove hard for an equaliser, the Tigers defence with Blackburn and Dobson prominent were well in control.

This was a sound, workmanlike performance and the Reserves now look forward to the Second Leg at Boothferry Park next Tuesday.

JUNIOR JOTTINGS

Hull City opened their Northern Intermediate League season with a very sound display against last years runners-up, Middlesbrough. The most pleasing part of their performance was the overall willingness of the team to work for each other.

For the first half our youngsters played some really effective football, and it was only good goalkeeping which prevented them from scoring on several occasions, but we were shocked in the 35th minute when Middlesbrough took the lead, really against the run of the play.

In the second half we continued to dominate the play, and it was no surprise when Gerry Collins headed a fine equaliser from a Chris Hartley corner, and again it was one-way traffic towards the Middlesbrough goal. Finally, the persistence paid off, when Rob McDonald played a through ball to Craig Norrie, who from 30 yards beat the keeper with a fine angled drive, and just as the youngsters were cruising to an easy win, lack of concentration let Middlesbrough in for a last minute equaliser. Even though they dropped a point, the youngsters can take heart from their very fine performance.

Although conditions were difficult in the Juniors' next match on a greasy pitch at Newcastle, they turned in a below-par performance, and had they taken at least half the chances created, they would have cruised to an easy victory, instead of having to be satisfied with one point. Newcastle started strongly, but faded after the interval. In particular, trialist Derek Hood took the eye with some clever attacking football and in the closing stages Norrie, Hawker and Collins came near to scoring a winner.

THE "PASSEARNERS" SCHEME 1978/79 SEASON

Based on the sale of our popular weekly bingo/lucky numbers ticket, it is at this time, at the very commencement of a season, when the weekly sales requirements are at their lowest. Late starters in the scheme have to sell a proportionately higher total each week to achieve the same end, so if you want all your league football at Boothferry Park NEXT SEASON (1978/79) see (left hand column) just how few tickets per week you need to sell over a 50-week period:-

Sales per week	Total sales target	Pass issued (adult)
14	700	Bunkers
16	800	N. & E. terraces

No commission is paid on these sales (it goes towards the eventual purchase of your pass), but with the substantial increase (nationwide) in the cost of admittance, here, with a little effort, is a popular way of cutting back not only the increase, but the whole cost of your football in 1978/79.

Ex-Tigers

The Ex-Tigers have made an excellent start to the season with a 4-2 win over County League side Market Weighton (£30 raised for Charity) and a 5-0 win against Amateur League side Globe United at Queensgate (£100 raised for the "Tony Aveyard Fund").

It was pleasing to see Paddy Greenwood make an excellent debut against Globe and he hit two fine goals.

Outstanding in both games were John Kaye and Andy Davidson.

The secretary of H.C. Supporters' Club,
Boothferry Park, Hull

At first I'd like to thank you all very much for the membership card and the information sheet you have sent to me. A couple of days ago I also got an annual report. Thanks for that, too. It is very interesting to read about the activity of the fan club.

I noticed that the fan club is not very old, so it is an honour for me to be a member of it. I would like to know if there is any other members abroad, for instance in other Scandinavian countries or anywhere else.

I am a 17-year-old boy and Hull City has been my favourite club for a couple of years. I have followed very closely the results and achievements of Hull City. Every Saturday evening I can hear the match results from the B.B.C.'s World Service. In Winter time I can see league matches on telly, too. Unfortunately I haven't seen Hull playing.

If there is anyone who wants to change football souvenirs or just want to change thoughts with me, she or he can write to me. I should be happy if you published my address.

I thank you once again ever so much.

Yours very sincerely,
member number 325 Olli Tuovinen
